Excerpt from class Greek play - Theseus and the Minotaur written by Sarah Elliot:

*Woe to the proud Cretan people  
Harmed is the heart of the kingdom  
Deceit grows where goddesses once walked  
The temple defiled and the throne seized  
Stained with the sharp stench of sickness  
Putrid the air as it chokes us  
A beast stalks the walls of the labyrinth  
A beast crowned with cruelty rules us!*
