These can all be done passively by the brain and are shown to be ineffective.

## PAST PAPER PRACTICE

Like riding a bike, procedural memory enables us to remember how to do things without even thinking about it if we practice enough.

## MAKE DIAGRAMS AND PICTURES

The long term memory is based on visual and meaningful content, not words.

## CREATE A MEMORY PALACE

Create a familiar place in your imagination. Place representations of things you need to remember at specific places in it.

## STAY HEALTHY

Lots of good quality sleep and healthy food are critical for optimal performance. Take care of yourself!

# On your exam day

This checklist will help you to be as prepared as possible for your exams, so that on the day itself you can focus on doing your best.

## Before sitting your exams, ensure you know:

- the date, time and location of your exams – you might find it helpful to write this information in a calendar or planner
- who to contact at school or college in case there's an emergency that makes you late or unable to sit your exam

## What you cannot take into exams:

- any type of phone
- revision notes
- any type of watch (this includes analogue, digital and smart watches)

## What you will need:

- a clear pencil case
- at least two black ink pens – blue pens are not acceptable
- an approved calculator for relevant exams
- appropriate apparatus such as a ruler or protractor for relevant exams
- a clear water bottle if you wish to take one in – it must not have a label

## Other important information:

- Listen carefully to the invigilator's instructions which will be specific to your exam. If you are unsure of anything, please raise your hand and wait for the invigilator.
- Fill in your details on the front of your answer booklet.
- If you need additional answer sheets, raise your hand and wait for an invigilator who will provide you with one. Remember to add your details to this booklet too.
- If you need to use the toilet or feel unwell, raise your hand and wait for an invigilator who will escort you from the exam room.
- Make sure you stay silent – talking to a fellow candidate could result in disqualification from all your exams.

## Contingency sessions:

- There are contingency sessions within the Summer 2024 exam timetable – the afternoon of 6 June and 13 June 2024 and the morning and afternoon of 26 June 2024. Make sure you are available on all three dates even if you do not have an exam.

If you have any questions about your exams, please ask your teacher or exams officer.

### What is AI?

- AI stands for artificial intelligence and using it is like having a computer that thinks
- AI tools like ChatGPT or Snapchat My AI can write text, make art and create music by learning from data from the internet, but watch out – they can also make things up and be biased

### How can AI be misused in assessments?

AI misuse is when you take something made using AI and say it's your own work.

**THIS IS CHEATING!**

### How do I make sure I don't misuse AI?

#### 1 Know the rules

- You're **not allowed** to use AI tools when you're in an exam
- Your teachers will tell you if you're allowed to use AI tools when doing your coursework – the rules will depend on your qualification
- Even if you're allowed to use AI tools, you can't get marks for content just produced by AI – your marks come from showing your own understanding and producing your own work

#### 2 Reference reference reference!

- If you're allowed to use AI tools, you must reference them clearly
- Name the AI tool you used
  - Add the date you generated the content
  - Explain how you used it
  - Save a screenshot of the questions you asked and the answers you got

#### 3 Declare it's all your own work

– When you hand in your assessment, you have to sign a declaration. Anything without a reference must be all your own work. If you've used an AI tool, don't sign the declaration until you're sure you've added all the references

### What happens if I misuse AI?

If you've misused AI, you could lose your marks for the assessment – you could even be disqualified from the subject.

**DON'T RISK IT!**

**REMEMBER**
