

# Welcome to Psychology

Over the next three weeks you will be researching and investigating some of the theories that you will be learning about next year.

Week	Topics Covered
Week One	Memory
Week Two	Attachment
Week Three	Psychopathology

You will have tasks to complete for each week. Each one will contain key terms, questions and research for you to do so that when you start your A Levels in September you will already have a head start.

If you have any questions you can email me at:

[psychology@michaelhall.co.uk](mailto:psychology@michaelhall.co.uk)

[samantha.bayley@michaelhall.co.uk](mailto:samantha.bayley@michaelhall.co.uk)

Good luck and I hope you enjoy finding out a bit more about Psychology.
